## Installation Instructions: For Wall Mounted Luminaire

### Warning

- Risk of shock, do not turn on power before assembly.
- Light bulb cannot exceed the maximum wattage rating.
- Before you turn on power, please follow the instruction sheet.

### Installation

1. Install the plate (A) to the outlet box by the two screws (B).
2. Install the lamp body (C) onto the wall with the screws (D).
3. Slide the bulb (E) into the glass shade (F) so that it is visible from other end.
4. Screw the bulb into the socket (G) while holding the glass shade steady (F).
5. Attach the glass shade (F) to the steel bracket (H).
6. Repeat on opposing glass shade.
